

Consulting Services Agreement

This Consulting Services Agreement (the “**Agreement**”) is made by and between Accessibly Inc., a Delaware Corporation doing business as Be My Eyes (“**BME**”) and Dotsquares Ltd., registered in England & Wales No.: 04381390 (“**Consultant**”), effective as of _____ (the “**Effective Date**”). Consultant and BME are each a “**Party**” and collectively the “**Parties**” to this Agreement.

BME and Consultant agree as follows:

- 1 **Consulting Services.** This Agreement sets forth (among other things) the obligations of Consultant to perform and provide to BME certain work, consultation, and assistance, including the creation of deliverables. All work to be performed by Consultant will be documented in a Statement of Work as described below in Section 2. The services provided by Consultant under this Agreement and applicable Statements of Work are “**Consulting Services**,” and any deliverables provided to BME while providing Consulting Services, including under an SOW, are “**Deliverables**.” BME agrees to provide Consultant with reasonable access to BME technical data, computer programs, files, documentation, and/or other materials (“**BME Materials**”) as well as other BME resources, personnel, equipment, or facilities to the extent such access is necessary for the performance of Consulting Services. Consultant may not subcontract the Consulting Services without the prior express written consent of BME.
- 2 **Statements of Work.** The Parties will enter written statements of work describing Consulting Services requested by BME (each an “**SOW**”). Each such SOW will set out (i) a description of the Consulting Services to be provided; (ii) any deadlines for performance and/or delivery; (iii) any project specifications; (iv) any applicable acceptance criteria; (v) applicable fees or other compensation; (vi) any special terms applicable to the specific Consulting Services; and (vii) the term of the SOW. A template SOW is attached as Attachment 1.
- 3 **Performance.** Consultant will perform Consulting Services in accordance with this Agreement in a timely and professional manner, consistent with industry standards, at a location, place, and time that Consultant deems appropriate. Consultant acknowledges and agrees that the manner and means that Consultant chooses to complete the Consulting Services are in Consultant’s sole discretion and control. In completing the Consulting Services, Consultant agrees to provide and use its own equipment, tools, and other materials at its own expense. Consultant must not include in the Deliverables any material that is owned by, copyrighted by, or that requires licensing, permission, or authorization from a third party without the advance written permission of BME.
- 4 **No Prohibition on Competitive Jobs.** Consultant may enter other contracts and accept work from other entities during the term of this Agreement.
- 5 **Relationship of the Parties.** Consultant and BME are independent contractors of each other, nothing in this Agreement should be construed to create a partnership, joint venture, or employer-employee relationship between Consultant and BME. Neither Party will have any authority to contract or make any commitments on behalf of the other. Consultant is solely responsible for all tax returns and payments required to be filed with or made to any national, federal, state, or local tax authority with respect to Consultant’s performance of services and receipt of fees under this Agreement. Consultant employees, agents and contractors are solely the employees, agents, and contractors of Consultant, not BME, and Consultant will remain solely responsible for all matters relating to the payment of them, including compliance with applicable law and tax requirements.
- 6 **Fees, Payments, and Taxes.**
 - 6.1 *Fees and Expenses.* BME agrees to pay Consultant’s fees for Consulting Services as set forth in the applicable SOW and as invoiced by Consultant. BME further agrees to reimburse Consultant for pre-approved expenses incurred while providing Consulting Services, including pre-approved travel, lodging and meal expenses incurred while performing the Consulting Services at any place other than Consultant’s place of work.

- 6.2. *Invoicing and Payment Terms.* Unless otherwise agreed in an applicable SOW, Consultant will invoice BME no more frequently than monthly for fees, expenses, and other compensation due under an applicable SOW. BME will pay Consultant all invoiced amounts not subject to a good faith dispute within thirty (30) days from the date of the invoice. If an amount is subject to a good faith dispute, BME will pay the undisputed amount without set offs of any kind, and the Parties agree to work in good faith to resolve any dispute within five (5) business days from the date of the invoice.
- 6.3. *Taxes.* BME will pay all applicable customs, duties, sales, use, value added or other taxes, federal, state or otherwise, however designated, which are levied or imposed by reason of the transactions contemplated by this Agreement and invoiced by Consultant when required by law, excluding only taxes based on Consultant's net income. Consultant's fees, expenses and other compensation are net of any such taxes.

7 **Ownership and Licenses.**

- 7.1. **Deliverables.** All Deliverables that contain copyrightable subject matter are explicitly considered by Consultant and BME to be specially commissioned by BME and to constitute "works made for hire" to the extent permitted by law. To the extent not constituting works made for hire, Consultant hereby unconditionally and irrevocably assigns to BME all right, title and interest worldwide in and to all Deliverables, Consulting Services and any and all work and work product developed or performed by Consultant to provide the services contemplated by this Agreement (collectively, the "**Intellectual Property**"), including without limitation all trade secrets, copyrights, trademarks, mask work rights, patent rights, moral rights and other intellectual property rights recognized by the laws of any country (collectively, "**Intellectual Property Rights**") in the Intellectual Property. Consultant retains no rights to use the Intellectual Property and agrees not to challenge the validity of BME's ownership in the Intellectual Property. Consultant hereby waives unconditionally and irrevocably for the benefit of the BME and its successors and assigns all moral or similar rights in or to any Intellectual Property in which copyright may subsist in each jurisdiction throughout the world, to the extent that such rights may be waived in each respective jurisdiction. Consultant agrees to, at the request of BME and without any right to further consideration, sign all lawful papers, make all rightful oaths and execute all divisional, continuing, continuation-in-part or reissue applications, all assignments, all registration applications and all other instruments or papers, to carry into full force and effect, the assignment hereby made or intended to be made and generally do everything necessary for title to the Intellectual Property, and all Intellectual Property Rights in the Intellectual Property, to be clearly and exclusively owned and held by the BME.
- 7.2. **Pre-Existing Intellectual Property.** The term "**Pre-Existing Intellectual Property**" means (i) any ideas, concepts, information, materials, processes, data, programs, know-how, improvements, discoveries, developments, designs, artwork, formulae, other copyrightable works, and techniques and all Intellectual Property Rights in them (each or collectively an "**Invention**") developed by Consultant other than in the course of providing Consulting Services under this Agreement, and (ii) all Inventions acquired or licensed by Consultant that Consultant uses in performing Consulting Services or incorporates in any Deliverable. Consultant must disclose to BME, in advance and in writing, any Pre-Existing Intellectual Property that Consultant proposes to incorporate into Deliverables or upon which use or distribution of a Deliverable will depend. BME will have the right to reject use or incorporation of such Pre-Existing Intellectual Property in BME's sole and absolute discretion. If Consultant discloses no Pre-Existing Intellectual Property, Consultant warrants that it will not incorporate any Pre-Existing Intellectual Property into any Deliverable. Consultant will separately provide, with each delivery of each Deliverable to BME containing Pre-Existing Intellectual Property, a third-party bill of materials that identifies all Pre-Existing Intellectual Property and other third-party materials that have been incorporated into the Deliverable and provides, for each item of Pre-Existing Intellectual Property, (a) the name and any associated version number (b) the applicable license or licensing terms, (c) whether the item has been modified by Consultant, and (d) how the item has been incorporated into, is used by, or is relied upon by the Deliverable. Notwithstanding the foregoing, unless otherwise agreed in the applicable SOW, Consultant agrees that it will not incorporate into Deliverable or otherwise deliver to BME any software code that will create (or that purports to create) obligations for BME to grant any rights or immunities under BME's Intellectual Property Rights to a third party, including, without limitation, any obligation that the Deliverable or BME software combined with, derived from, or distributed with

such Deliverable be disclosed or distributed in source code form, be licensed for the purpose of making derivative works, or be redistributable at no charge.

- 7.3. **License to Pre-Existing Intellectual Property.** If Consultant incorporates any Pre-Existing Intellectual Property into a Deliverable or furnishes any Pre-Existing Intellectual Property in conjunction with a Deliverable, whether or not Consultant discloses the existence of such Pre-Existing Intellectual Property to BME, Consultant hereby grants BME a non-exclusive, royalty-free, irrevocable, worldwide, perpetual license to: (i) make, have made, sell, use, execute, reproduce, modify, adapt, display, perform, distribute, make derivative works of, import, and disclose the Pre-Existing Intellectual Property or products and services using the Pre-Existing Intellectual Property in conjunction with the use of the Deliverable and (ii) authorize or sublicense others from time to time to do any or all of the foregoing.
- 7.4. **BME Materials.** BME hereby grants Consultant a limited right to use, copy, modify and create derivative works of BME Materials, including without limitation data and computer code in any form, provided to Consultant in connection with the Consulting Services, solely for the purpose of performing Consulting Services for BME and solely for the term of this Agreement. BME owns and will retain ownership, including all Intellectual Property Rights, of, in and to all BME Materials and all derivative works created from or incorporating BME Materials. Consultant may not use BME Materials for any purpose other than to provide Consulting Services and Deliverables to BME.
- 8 **Warranties.** Consultant hereby covenants, represents and warrants to BME that (a) Consultant will perform the Consulting Services in a timely and professional manner, consistent with industry standards, and all in accordance with this Agreement; (b) except any pre-approved third party materials used or incorporated as part of Deliverables, Deliverables will be an original work of Consultant; (c) any third parties will have executed assignment of rights prior to being allowed to participate in the development of Deliverables; (d) the Deliverables will fully conform to the requirements, specifications, and terms set forth in this Agreement and the applicable SOW; (e) the Deliverables will be free from material errors, faults and defects of any kind; (f) if the Deliverables include software or computer code, the Deliverables will not contain any virus, Trojan horse, malicious code, trap door, time bomb, or shutdown mechanism, or any other software code or functionality that will “lock” or prevent the use of or access to the Deliverables or otherwise cause the Deliverables to cease functioning, or which is otherwise designed to harm BME systems, servers, computers or websites; (g) neither the Deliverables nor any element of them will infringe or misappropriate the Intellectual Property Rights of any third party; (g) neither the Deliverables nor any element of them will be subject to any restrictions or to any mortgages, liens, pledges, security interests, or encumbrances; (h) Consultant will not grant, directly or indirectly, any rights or interest whatsoever in the Deliverables to third parties; (i) Consultant has full right and power to enter into and perform this Agreement without the consent of any third party; (j) Consultant has an unqualified right to grant the license to all Pre-Existing Intellectual Property as set forth in Section 7.2; (k) if Consultant is required to possess or maintain a special license or registration necessary to provide the Deliverables or services required to provide independent contractor services under this Agreement, then it possess such a special license or registration and will maintain such special license or registration during the term of this Agreement; (l) Consultant will not use or incorporate as part of any software or computer code Deliverables any Open Source Code other than as expressly authorized in the applicable SOW or by BME in a signed writing; (m) Consultant will not disclose BME Materials to any third party, use BME Materials to provide services to any third party, or include BME Materials in any deliverable or product or service created for any third party; and (n) Consultant will comply with all laws and regulations applicable to Consultant’s obligations under this Agreement.
- 9 **Non-Conforming Work.** Without prejudice or preclusion of any other remedy available to BME, Consultant will re-perform any non-conforming Consulting Services or re-deliver any non-conforming Deliverable at no additional cost to BME if BME notifies Consultant of such non-conformity in writing within 14 days of the delivery of the Consulting Service or Deliverable.

- 10 **Insurance.** Consultant, at its sole cost and expense, will maintain appropriate insurance in accordance with any applicable laws and regulations and in no event less than industry standards and applicable law, including but not limited to unemployment and workers' compensation insurance.
- 11 **Limitation of Liability.** IN NO EVENT WILL BME BE LIABLE TO CONSULTANT FOR ANY LOSS OF USE, INTERRUPTION OF BUSINESS, LOST PROFITS, OR ANY INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES OF ANY KIND REGARDLESS OF THE FORM OF ACTION WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT PRODUCT LIABILITY, OR OTHERWISE, EVEN IF BME HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. WITHOUT LIMITING THE FOREGOING, BME'S MAXIMUM AGGREGATE LIABILITY TO CONSULTANT FOR A CLAIM RELATED IN ANY WAY TO AND PERMITTED BY THIS AGREEMENT, UNDER ANY CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHER THEORY, WILL BE LIMITED TO THE TOTAL AMOUNT OF FEES PAID OR PAYABLE BY BME TO CONSULTANT IN THE TWELVE (12) MONTHS PRIOR TO THE OCCURRENCE OF SUCH CLAIM. THE PARTIES AGREE THAT THE LIMITATIONS SPECIFIED IN THIS SECTION WILL SURVIVE AND APPLY EVEN IF ANY LIMITED REMEDY SPECIFIED IN THIS AGREEMENT IS FOUND TO HAVE FAILED OF ITS ESSENTIAL PURPOSE.
- 12 **Confidentiality.** All technical and business information, including, but not limited to, patents, patent applications, trade secrets, know-how, financial statements, business plans, pricing, BME Materials, or source code in whatever form furnished to Consultant under or in contemplation of this Agreement and, if in tangible form, is clearly marked "Proprietary" or "Confidential" is "**Confidential Information.**" All Confidential Information will remain the property of BME. All Deliverables, all materials created as part of the Consulting Services, and all derivative work created from either or both are also Confidential Information of BME whether so marked. Notwithstanding the foregoing, Confidential Information will be deemed to include all BME Materials and all information that would reasonably be understood to be of a confidential nature, given the circumstances surrounding the disclosure and nature of the information. Unless BME otherwise agrees in writing, Consultant (a) will treat Confidential Information in confidence and will only use Confidential Information for the purpose of providing Consulting Services under this Agreement; (b) will not reproduce or copy Confidential Information in whole or in part, except as necessary to provide Consulting Services under this Agreement; (c) will make Confidential Information available only to those employees of Consultant who must have access to the Confidential Information to perform Consulting Services and have agreed to comply with the terms of this section; and (d) upon BME's request, will return or destroy all Confidential Information, together with any copies of it, or, if the Confidential Information is in the form of software recorded on an erasable storage medium, will erase the Confidential Information when no longer needed to perform Consulting Services or when the applicable SOW or this Agreement terminates, whichever occurs first. Consultant further agrees not to disclose to, deliver to, or induce BME to use any confidential information that belongs to anyone other than BME or Consultant. The above conditions do not apply to any Confidential Information which (i) is independently developed by Consultant as evidenced by documentation in Consultant's possession; (ii) is lawfully received from another source free of restriction and without breach of this Agreement; (iii) has become generally available to the public without breach of this Agreement by the Consultant; or (iv) is otherwise known, or becomes known to Consultant free of any obligation to keep in confidence (each an "**Exemption**"). In the event of termination of the Agreement, the provisions set forth in this section will continue to apply to such Confidential Information that is not subject to an Exemption.
- 13 **No Publicity.** Consultant agrees that it will not issue or make any press releases, publications, or public references regarding its relationship with BME unless Consultant first informs BME of such proposed publicity, submits all proposed publicity materials to BME for review and obtains BME's prior consent in writing, in each instance.
- 14 **Term and Termination.**
- 14.1. **Agreement.** The term of the Agreement will continue for one year from the Effective Date (the "**Initial Term**"). Unless terminated as provided in this Agreement, the Agreement will automatically renew for successive one-year terms (each a "**Renewal Term**"). Collectively, the Initial Term and each Renewal Term comprise the "**Term**" of this Agreement. Either Party may terminate this Agreement upon 30 days written notice to the other at any time

and for any reason or no reason at all. Either Party may terminate this Agreement immediately upon written notice to the other Party, in the event (i) that the other Party becomes insolvent or unable to pay its debts when due; (ii) the other Party files a petition in bankruptcy, reorganization or similar proceeding (iii) the other Party discontinues its business; or (iv) a receiver is appointed or there is an assignment for the benefit of such other Party's creditors.

- 14.2. **SOWs.** Each SOW will have the effective date, termination date, and term given to it in the SOW. Unless an SOW expressly states otherwise, either Party may terminate an SOW for any reason, or no reason at all, by providing 30 days written notice to the other Party. Any SOW with a term extending beyond the termination date of this Agreement will continue until the termination date in the SOW, unless earlier terminated pursuant to its terms. Termination of the Agreement for any reason identified in Section 14.1(i) –(iv) will result in immediate termination of all SOWs regardless of their completion status.
- 14.3. **Effect of Termination.** The following sections will survive termination of this Agreement and all SOWs for any reason: Section 6 (Fees, Payments and Taxes) (but only with respect to fees and payments earned prior to termination), Section 7 (Ownership and Licenses), Section 8 (Warranty), Section 11 (Limitation of Liability), Section 12 (Confidentiality), Section 13 (No Publicity), Section 14.3 (Effect of Termination), Section 15 (Dispute Resolution) and Section 16 (Miscellaneous).
- 15 **Dispute Resolution.**
- 15.1. *Choice of Law.* This Agreement and any dispute related to it will in all respects be governed by the laws of the State of California and the United States of America without reference to its principles of choice or conflicts of laws.
- 15.2. *Requirement of Alternative Dispute Resolution.* No Party may bring an action or claim against the other at law or in equity in any forum without first completing the dispute process set out in Sections 15.3 and 15.4, except a Party may file such an action or claim at any time if (a) the Party is legally required to file the action or claim at that time so as not to lose a legal right (including the ability to file the claim); (b) the action or claim is one to enforce confidentiality obligations or Intellectual Property Rights; or (c) the action or claim is an equitable action to prevent imminent and irreparable harm with no adequate remedy at law.
- 15.3. *Obligation to Meet and Confer.* Before invoking Section 15.5, the Parties will first meet and confer in good faith to resolve any dispute or controversy that may arise between them (a **"Dispute"**). To begin the meet and confer process, a Party will serve on the other Party (a) written notice of the claim, specifying the exact nature of the Dispute, including any amount claimed to be owed under this Agreement, and the provision of the Agreement or other authority for the claim; and (b) a copy of all supporting documents. Within 10 business days after receiving notice of a dispute the responding Party and the initiating Party will meet to discuss resolution of the claim. Each Party must bring at least one person to the negotiation with full authority to resolve the dispute on any terms. The written claim notice and any documents produced by either Party, but not the subsequent discussion, will be admissible in any subsequent proceeding.
- 15.4. *Mediation.* If the Parties are unable to resolve a Dispute through the process described in Section 15.2, the Parties will submit their dispute to mediation prior to proceeding to adjudication. The administrative costs of the mediation, including the mediator's fee, will be borne by the Parties equally. Otherwise, each Party will be responsible for its own costs and expenses relating to the mediation, including any attorneys' fees. Disclosures made by either Party during the mediation will be treated as Confidential Information and may not be offered as evidence in any subsequent proceeding unless the proceeding is initiated to enforce the terms of an agreement arising from the mediation.
- 15.5. *Jurisdiction and Venue.* If the dispute resolution mechanisms set for the above fail to resolve the Dispute, the Parties specifically agree that any legal proceeding arising out of or relating to this Agreement will be subject to the sole and exclusive jurisdiction of the United States District Court for the Northern District of California or any state court sitting in Santa Clara County, California, to the exclusion of all other courts and venues, and each Party

irrevocably consents to the sole and exclusive jurisdiction and venue of the United States District Court for the Northern District of California or any state court sitting in Santa Clara County, California, and waives any right to object to such jurisdiction and/or venue. The Parties acknowledge that all directions issued by the forum court, including, without limitation, all injunctions and other decrees, shall be binding and enforceable in all jurisdictions and countries. EACH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL ACTION, PROCEEDING, CAUSE OF ACTION OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT, INCLUDING ANY SOW UNDER THIS AGREEMENT.

16 Miscellaneous.

- 16.1. *Notices.* All notices under this Agreement will be given in writing and in one or more of the following ways: (i) by delivery by a commercially recognized overnight carrier; (ii) by delivery via registered mail; or (iii) via electronic mail, each at the physical address or e-mail address set forth in the signature block of this Agreement. If a Party provides notice via method (iii), then such delivery is effective only if the Party receiving the notice acknowledges receipt of the notice in writing. Notice is effective upon receipt, and notice received after 5 p.m. will be deemed effective on the next business day. Either Party may from time to time change its address or other information for notification purposes by giving the other prior written notice of the new address and the date upon which it will become effective.
- 16.2. *No Third Party Beneficiaries.* This Agreement is made solely for the benefit of the Parties to this Agreement and their permitted successors and assigns, and no other person or entity will have or acquire any right by virtue of this Agreement.
- 16.3. *Waiver.* The waiver, modification, or failure to insist by either Party on any of the provisions of this Agreement will not void, waive, nor modify any of the other provisions nor be construed as a waiver or relinquishment of Consultant's right to performance in the future of any such provision.
- 16.4. *Severability.* If any provision of this Agreement is declared or found to be illegal, unenforceable, or void by a court of competent jurisdiction, then both Parties will be relieved of all obligations arising under such provision, but only to the extent that such provision is illegal, unenforceable, or void, it being the intent and agreement of the Parties that this Agreement will be deemed amended by modifying such provision to the extent necessary to make it legal and enforceable while preserving its intent or, if that is not possible, by substituting for such provision another provision that is legal and enforceable and achieves the same objective. If the remainder of this Agreement will not be affected by such declaration or finding and is capable of substantial performance, then, each provision not so affected will be enforced to the extent permitted by law.
- 16.5. *Assignment and Successors.* Neither Party may transfer or assign this Agreement without the other Party's consent. This Agreement will otherwise be binding upon and inure to the benefit of the Parties and their permitted assigns.
- 16.6. *Headings.* Headings used in this Agreement are for reference purposes only and neither limit nor amplify the terms and conditions herein.
- 16.7. *Entire Agreement.* This Agreement and the SOWs entered under it constitute the entire understanding and agreement between the Parties with respect to their subject matter and supersede all prior or contemporaneous oral or written communications with respect to that subject matter, all of which are merged into the Agreement. Except as specifically provided for in this Agreement, this Agreement may not be altered, amended, or modified except by an instrument in writing signed by an authorized representative of each Party. No provision of any purchase order, quotation, confirmation, or other pre-printed or standard business form employed by either Party will supersede the terms and conditions of this Agreement or any SOW under it, and any such document relating to this Agreement or any SOW under it shall be for administrative purposes only and shall have no legal effect.

- 16.8. *Order of precedence.* In the event of any conflict or inconsistency between this Agreement and any SOW or other agreement referring to it, this Agreement will control, except that if an SOW or additional agreement both (i) is signed by authorized representatives of both Parties, and (ii) explicitly states that it intends to modify or eliminate a specifically identified term of this Agreement, then the SOW or additional agreement will take precedence.
- 16.9. *Force Majeure.* Neither Party to this Agreement will be responsible for any failure to perform its obligations under this Agreement (other than obligations to pay money) if such failure is caused by acts of God, war, terrorist activities, strikes, inability to secure labor materials or third-Party services, revolutions, fire, earthquake or other casualty, lack or failure of transportation, water or electrical facilities, changes in laws or governmental regulations or any other causes that are beyond the reasonable control of such Party (a “**Force Majeure Event**”). Upon the occurrence of a Force Majeure Event, the Party who has been so affected immediately will give notice to the other Party and will do everything possible to resume performance. Upon receipt of such notice, the Agreement will be immediately suspended. Delays in delivery due to a Force Majeure Event will automatically extend the delivery date(s) for the period equal to the duration of such Force Majeure Events.
- 16.10. *Word Usage.* Unless the context clearly requires otherwise, (a) the plural and singular numbers will each be deemed to include the other; (b) the masculine, feminine, and neuter genders will each be deemed to include the others; (c) "will," "must" or "agrees" are mandatory, and "can" or "may" are permissive; (d) "or" is not exclusive; and (e) "includes" and "including" are not limiting.
- 16.11. *Ambiguities.* Each Party and its counsel have participated fully in the review and revision of this Agreement. Any rule of construction to the effect that ambiguities are to be resolved against the drafting Party will not apply in interpreting this Agreement.
- 16.12. *Necessary Acts / Further Assurances.* The Parties will at their own cost and expense execute and deliver such further documents and instruments and will take such other actions as may be reasonably required or appropriate to evidence or carry out the intent and purposes of this Agreement.
- 16.13. *Electronic Signatures.* The Parties have consented to the use of electronic signatures for purposes of signing this Agreement, intending to become legally bound.
